

**Week 6 Read pages 64-79 of Chapter 4, "Ancient Egypt," then answer the following questions:**

1.) What are your thoughts/first impressions after reading this chapter? \_\_\_\_\_

---

---

---

2.) Describe the progression in pyramid development (listing all four primary forms) and include a basic drawing of each underneath. \_\_\_\_\_

---

---

---

3.) List at least 6 of the characteristics that set the Great Pyramid apart and explain its inclusion as one of the wonders of the world. \_\_\_\_\_

---

---

---

4.) The pyramids were built before advances in modern machinery, and today, historians don't know exactly how the Egyptians accomplished this feat. Describe the 2 possible options given and then state which you believe is more probable. \_\_\_\_\_

---

---

---

5.) Explain the possible connection between Abraham (Abram) and the Great Pyramid. \_\_\_\_\_

---

---

---

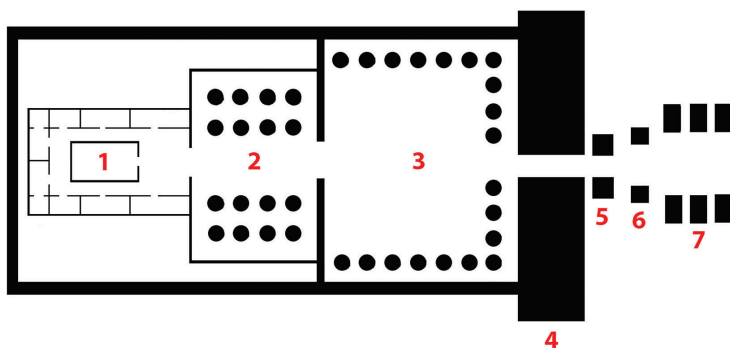

6.) Explain how the actions of tomb robbers may have influenced later pharaohs to stop building pyramids. \_\_\_\_\_

---

---

---

7.) Label each part of the pylon temple shown below. You should include the pylons, obelisks, court, sanctuary, hypostyle hall, recumbent deities and colossal statues.

- 1.) \_\_\_\_\_
